*Use this price list for 100 users or less (active users) , otherwise use the standard Retain pricelist.*

*Active users count needs to be greater then inactive users count (Users with no message increases within the last 90 days are recognized as Inactive)*

*No additional costs for inactive users.*

*Support: SMB gets "BASIC SUPPORT":*

*Support is only available by email; direct support from reselling partner is recommended; GWAVA supports certified and non-certified partners.*

*Migration to Standard Retain: Customers may renew standard Retain Archives under the SMB offering at the renewal date of their licenses. Retain for SMB license migrations to standard Retain will be quoted individually on customer request.*
